I can't remember yesterday
It isn't fair
There is no other way
Still I walk on
And I walk on
With a blade against my back for me
To fall on

Time is not a friend to me
Draging waves me down
Pulling me in danger

Used to be the wonderland
Stable as a castle made of sand
And I reclaim
Mistakes that I made
And it scratches on my back
That without your name

Time is not a friend to me
Draging waves me down
Pulling me in danger

Time will never heal the pain
Blameless you are not the same
Shameless you are not a friend of mine

Time is not a friend to me
Draging waves me down
Pulling me in danger
Time is not a friend to me
Draging waves me down
Pulling me in danger

(Ba-dap, ba-dap, ba-dap, ba-dap, ba-dap, ba-dap)

Time is not a friend to me
Seems so hard to understand
I can't escape
Escape the memories
Hope me spin back through the years

To find a place
That I want you as wonderland
Wonderland
Wonderland
Wonderland
