Oh I'm gonna get all soft and smoochy

Oh yeah
(I love you baby)
(Oh yeah)
Oh yeah
(I love you baby)
(Oh yeah)

Oh yeah
(I love you baby)
(Oh yeah)
(Yippee!)

Oh yeah, feels so good
I'm lovin' you, like I should
Remembering, how it feels
Letting go to have you near

Oh yeah, feels so good
I never thought, that it could
My feelings are deep inside
This love I found won't ever hide

Let's go from the very start
When we met you and I were inseparable
All at once we swapped our hearts
Knowin' that we had it right

People got involved with us
I should have pushed them all away
Now I know what went wrong
Why did it take me so long

Lovin' you, lovin' you is the easy part
Now I know, now I know what to do with it
Me and you, me and you keepin' it tight
'Cos two of a kind makes us so right

Oh yeah, feels so good
I'm lovin' you, like I should
Remembering, how it feels

Letting go to have you near

Oh yeah, feels so good
I never thought, that it could
My feelings are deep inside
This love I found won't ever hide

Partnerships have ups and downs
Understand you and I are not alone
Feeling real normality
Come on, put your trust in me

Believe in me when I say
Everyone can keep away
Now I know what went wrong
Why did it take me so long

Lovin' you, lovin' you is the easy part
Never know, never know what to do with it
Me and you, me and you keepin' it tight
'Cos two of a kind makes us so right

Oh yeah, feels so good
I'm lovin' you, like I should
Remembering, how it feels
Letting go to have you near

Oh yeah, feels so good
I never thought, that it could
My feelings are deep inside
This love I found won't ever hide

I know how I want you
(Oh yeah)
I know how I need you
(Oh yeah)
Two of a kind will always be
Ever after happily

Feelin' free
(Oh yeah)
You and me
(Oh yeah)
No one can touch us now
(Oh yeah)
That is how it's got to be

With each passing day, we grow stronger still
Like the after taste of a bitter pill
Keep the hurt and pain far away from me
Warm me in your glow of sunny ecstasy

Ladies holla if you hear me
(Oh yeah)
Fellas holla if you feel me
(Oh yeah)
Everybody can you see me
(Oh yeah)
'Cos two of a kind makes us so right
(Yippee!)

Oh yeah, feels so good
I'm lovin' you, like I should
Remembering, how it feels
Letting go to have you near

Oh yeah, feels so good
I never thought, that it could
My feelings are deep inside
This love I found won't ever hide

Oh yeah, feels so good
I'm lovin' you, like I should
Remembering, how it feels
Letting go to have you near

Oh yeah, feels so good
I never thought, that it could
My feelings are deep inside
This love I found won't ever hide
(Yippee!)

Oh yeah
Oh yeah
Oh yeah
(Yippee!)

I love you baby
(Oh yeah)
I love you baby
(Oh yeah)
I love you baby
(Oh yeah)

Oh yeah, feels so good
I'm lovin' you, like I should
Remembering, how it feels
Letting go to have you near

Oh yeah, feels so good
I never thought, that it could
My feelings are deep inside

This love I found won't ever hide
