What made you think I would be fooled
I now see through you
And you 're the fool
Tell me
How do you feel when you see me
And I disregard you
There's someone new
And they're true

I can't believe I was so blind I didn't see
That you couldn't be the type of man to meet my needs
Strangest thing is everyone tried to tell me
But I did what they told me not to
You nearly had my everything, by running game on me
You told me all I had to hear I thought love was finally
here
But then one day the truth I'd see your game was
incomplete
Cos when I realised the truth
I see your plan, you're not my man so get from under
my roof - I don't want you

What made you think I would be fooled
I now see through you - yes I do
And you 're the fool
Tell me
How do you feel when you see me
And I disregard you
There's someone new
And they're true

It was the saddest thing I thought there was no help for
me
Cos you made me think I wasn't worth anything
Now I see you didn't have no self esteem
And all you loved was Mel B's money
You nearly had my everything by running game on me
You told me all I had to hear I thought love was finally
here
But then one day the truth I'd see your game was
incomplete
Cos when I realised the truth

I see your plan, you're not my man so get from under
my roof

What made you think I would be fooled
I now see through you - I can see through you
And you 're the fool - you're the fool, baby, you're the
fool

Tell me

How do you feel when you see me

And I disregard you - and I turn my head around

There's someone new - and they're so true

What made you, made you, think I would be fooled -
think I would be fooled

I now see through you, I can, and you're the fool, you
are, you are

How do you feel when you see me

And I disregard you and there's someone new, and
they're true

You nearly had my everything, by running game on me
You lied to me, why did you lie to me
But then one day the truth it seems your game was
incomplete

I found out the truth

I see your plan, you're not my man so get from under
my roof - I don't want you

What made you think I would be fooled
I now see through you - I'm glad I saw through you
And you 're the fool

Tell me, Tell me

How do you feel when you see me

And I disregard you

There's someone new - and they're so true

What made you think I would be fooled

I now see through you

And you 're the fool

Tell me

How do you feel when you see me

And I disregard you

There's someone new and they're true
