Think (think) think (think) think (think)  
think (think) think (think) think (think)

You better think (think) think about what you're trying to  
do to me  
Yeah, think (think, think), let your mind go, let yourself  
be free

Let's go back, let's go back, let's go way on back when  
I didn't even know you, you came to me and too much  
you wouldn't take  
I ain't no psychiatrist, I ain't no doctor with degree  
It don't take too much high IQ's to see what you're  
doing to me

You better think (think) think about what you're trying to  
do to me  
Yeah, think (think, think), let your mind go, let yourself  
be free

Oh freedom (freedom), freedom (freedom), freedom,  
yeah freedom  
Freedom (freedom), freedom (freedom), freedom,  
ooh freedom

There ain't nothing you could ask I could answer you  
but I won't (I won't)  
I was gonna change, but I'm not, to keep doing things I  
don't

You better think (think) think about what you're trying to  
do to me  
Yeah, think (think, think), let your mind go, let yourself  
be free

People walking around everyday, playing games that  
they can score  
And I ain't gonna be the loser my way, ah, be careful  
you don't lose yours

You better think (think) think about what you're trying to  
do to me

Yeah, think (think, think), let your mind go, let yourself  
be free

You need me (need me) and I need you (don't you  
know)  
Without eachother there ain't nothing people can do

Oh freedom (freedom), freedom (freedom), freedom,  
yeah freedom  
Freedom (freedom), freedom (freedom), freedom,  
ooh freedom

There ain't nothing you could ask I could answer you  
but I won't (I won't)  
I was gonna change, but I'm not, if you're doing things I  
don't

You better think (think) think about what you're trying to  
do to me  
Yeah, think (think, think), let your mind go, let yourself  
be free

You need me (need me) and I need you (don't you  
know)  
Without eachother there ain't nothing people can do

(Think about - ah me, think about - ah me,  
think about - ah me, think about it)  
(Think about - ah me, think about - ah me,  
think about - ah me, think about it)  
(Think about - ah me, think about - ah me,  
think about - ah me, think about it)  
(Think about - ah me, think about - ah me,  
think about - ah me, think about it)  
You had better stop and think before you think, think!
