There's times when I fake goodbyes, made you cry  
But this time you don't  
And I was only joking, I was broken when you told me to  
go

Don't make up the wrong mind  
Don't forget the good times

Let me stay a little longer  
'Cause if I'm gone I can't make it right  
In just one night we could go back in time maybe  
Go back and find where we both went wrong  
It won't take long I know  
Don't let me go, oh, don't let me go

I'm not giving up, I'm still in love, it's all I need you to  
say  
And I don't need an answer  
Just a chance to make the pain go away

So don't make up the wrong minds  
Don't forget the good times

Let me stay a little longer  
'Cause if I'm gone I can't make it right  
In just one night we could go back in time maybe  
Go back and find where we both went wrong  
It won't take long I know  
Don't let me go, oh, don't let me go

I beg you to find what it takes to forgive me of all my  
mistakes  
'Cause if I walk out of your life there'll be no way back  
this time  
Don't let me go

Don't make up the wrong mind  
Don't forget the good times

Stay a little longer  
'Cause if I'm gone I can't make it right  
In just one night we could go back in time maybe

Go back and find where we both went wrong  
It won't take long I know  
Don't let me go, oh, don't let me go
