I've gotta go  
I've found another direction  
I've gotta go  
I wanna get your attention

I am so sorry that it went this way  
I just can't hold on any more  
the feeling's gone, I must move on  
there's nothing left worth fighting for  
I can't love you any more, any more

Go for what you're looking for  
Go you've lost me that's for sure

I've gotta go  
I've found another direction  
I've gotta go  
I wanna get your attention for once

I've never been in love before  
but this is where it has to end  
I just can't love you any more  
Don't even want you as a friend  
I can't love you any more, any more

Go for what you're looking for  
Go you've lost me that's for sure

It all started in another dimension  
It all started in another dimension  
It all started in another dimension

You may have took my breath  
You didn't take my dedication

They say that love is blind  
They say that love is blind  
They say that love is blind  
I've never been the moving kind

I wanna go  
I wanna go

I'm sorry that it went this way  
I just can't hold on any more  
the feeling's gone, I must move on  
there's nothing left worth fighting for

I can't love you  
I can't love you  
I can't love you  
any more, any more

I've gotta go  
I've found another direction  
I've gotta go  
I wanna get your attention

I've gotta go
