Where do they go and what do they do?  
They're walking on by, they're looking at you  
Some people stop some people stare  
But would they help you and do they care?

How did you fall? C mo ca stes?  
Did you fall at all? Ca stes del todo?   Ca stes completamente?  
Are you happy where you are,  
Sleeping underneath the stars?  
When it's cold is it your hope that keeps you warm

A spare bit of change is all that I give  
how is that gonna help when you've got nowhere to live  
some turn away so they don't see  
I bet you'd look if that were me

How did you fall? C mo ca stes?  
did you fall at all? Ca stes del todo?   Ca stes completamente?  
is it lonely where you are  
sleeping in between parked cars? Durmiendo entre carros estacionados?  
when it thunders where do you hide from the storm? C ando hay truenos en d nde te escondes  
de la tormenta?

Could you ever forgive my self pity  
when you've got nothing and you're living on the streets of the city  
I couldn't live without my phone  
but you don't even have a home

How did we fall? C mo ca mos?  
can we get up at all  
are we happy where we are  
on our lonely little star  
when it's cold is it your hope that keeps you warm

Where do they go and what do they do  
they're walking on by they're looking at you

they're walking on by they're looking at you
