Hey sugar, Hey  
You think I'd ever let you go get away  
Ain't gonna happen you know what I mean  
Hard as it seems  
Everybody's got to dream a little dream

Chill baby, Chill  
I wish I could but I can't stop until  
Need a shot of you to the brain  
Here we go again  
Keep em moving baby like a runaway train

Like it's the last night on earth  
Like it's the only chance we get to live  
Let's give it all away  
Give it all we got  
Cause my love won't wait for tomorrow  
Like it's the last dance at the disco  
Like it's the only song we get to sing  
Let's give it all away  
Give it all we got  
Till the sun comes up sugar  
Don't stop

Shake baby, Shake  
The only habit I don't want to break  
Your sending a shiver down my spine  
Playing with my mind  
Accelerate cause were running out of time

Feel baby, Feel  
I want you from your head to your heels  
Like I want you from your heart to your soul  
Baby now you know  
Move a little closer and we're gonna loose control

Like it's the last night on earth

Like it's the only chance we get to live  
Let's give it all away  
Give it all we got  
Cause my love won't wait for tomorrow

Like it's the last dance at the disco  
Like it's the only song we get to sing  
Let's give it all away  
Give it all we got  
Till the sun comes up sugar  
Don't stop  
Don't stop (don't stop oooohhhh)  
Don't stop (don't stop oooohhhh)  
Don't stop (don't stop oooohhhh)  
Don't stop (don't stop)

Shake baby, Shake  
Shake baby, Shake  
The only habit I don't want to break  
Shake baby, Shake

Like it's the last night on earth  
Like it's the only chance we get to live  
Let's give it all away  
Give it all we got  
Cause my love won't wait for tomorrow  
Like it's the last dance at the disco  
Like it's the only song we get to sing  
Let's give it all away  
Give it all we got  
Till the sun comes up sugar

Like it's the last night on earth  
Like it's the only chance we get to live  
Let's give it all away  
Give it all we got  
Till the sun comes up sugar  
Don't stop
