They tried to catch a falling star  
Thinking that she had gone too far  
She did but kept it hidden well  
Until she cracked and then she fell  
If all the history is true  
She's gonna end up just like you  
You made it to the other side  
But tell me who will be my guide  
They build you up so they can tear you down  
Trust the ocean, you'll never drown  
Who is next, who's gonna steal your crown?  
You'll see  
I have learnt my lesson well  
The truth is out there I can tell  
Don't look back and don't give in  
To their lies and goodbyes, Northern Star  
Fulfil the longing in your heart  
Then we will never be apart  
And if they dare to question you  
Just tell them that our love is true  
They buy your dreams so they can sell your soul

Is it any wonder we've lost control?  
Feelings come, feelings go  
I have learnt my lesson well  
The truth is out there I can tell  
Don't look back and don't succumb  
To their lies and goodbyes  
Live your life without regret  
Don't be someone who they forget  
When you're lost reach out for me  
And you'll see she's not far, Northern Star
