Verse 1:

Calling out to me,  
The sound that lights me up and keeps me warm  
Still shining on  
Reaching out for you,  
I found a place that never felt like home  
Iâ€™m not alone  
Cause your love builds me up till Iâ€™m strong and Iâ€™m  
tough  
I donâ€™t need anymore, itâ€™s enough, itâ€™s enough

Chorus:

My rising sun, the darkness gone  
You came, you gave me love  
Itâ€™s enough, itâ€™s enough to keep moving the young  
Courageous heart, my little star  
Iâ€™m filled with hopes I never dared to dream before

Verse 2:

Waking up with you,  
Another day we share in Paradise  
Iâ€™m so alive  
Thereâ€™s no mystery  
Another secretâ€™s been revealed to me  
And set me free  
Cause your love took me up,  
Now Iâ€™m strong, and Iâ€™m tough  
I donâ€™t need anymore, itâ€™s enough, itâ€™s enough

Chorus:

My rising sun, the darkness gone  
You came, you gave me love  
Itâ€™s enough, itâ€™s enough to keep moving the young  
Courageous heart, my little star  
Iâ€™m filled with hopes I never dared to dream before

Had an opportunity to turn my life around  
Now the spotlightâ€™s not on me  
It shines on you  
And if I fall I know youâ€™ll be there to save me

Chorus:

My rising sun, the darkness gone

You came, you gave me love

It's enough, it's enough to keep moving the young

Courageous heart, my little star

I'm filled with hopes I never dared to dream before
