I'm looking at the floor  
I'm looking anywhere to try to put my head into  
a different place  
I'm stopping it before  
Before I think about the promise to myself that  
I'm about to break  
Fall into daydreams inside these walls  
I must be out of my mind

### CHORUS

Cause I don't even know you  
But all I do is think about your face  
And I don't wanna call you  
But I wish I had your number just in case  
And I never thought someone could shake melike  
you can  
Some things weren't designed to understand

I hope you didn't see  
I hope you didn't notice if you did I hope you  
looked away  
I'll keep it all to me  
I'll keep on running cause it's only when I'm running that

I feel safe  
As I fall I must be out of my mind

### CHORUS

Cause I don't even know you  
But all I do is think about your face  
And I don't wanna call you  
But I wish I had your number just in case  
And I never thought someone could shake melike  
you can  
Some things weren't designed to understand

TV shows and cars that won't slow down  
I should be looking for a chance but don't know how  
Disillusion never let me down  
Don't lose it now, don't lose it

I don't even know you  
But all I do is think about your face  
And I don't wanna call you  
But I wish I had your number just in case  
And I never thought someone could shake melike  
you can  
Some things weren't designed to understand
