I don't want your adoration  
I don't want your train stopping at my station  
You hurt me, and I'm grateful  
I never ever felt anything stranger

Ga ga, crazy, foolish for wanting you  
Stupid, cupid  
He's a drag he's not like you

People say that it's insane we love to feel the pain

And it hurts  
Yes it hurts  
Let it hurt

I don't want emotion hassle  
I just want another bite of the apple  
Dark thoughts need satisfaction  
We're gonna crash  
Lets make it happen

Ga ga, crazy, foolish for wanting you  
Stupid, cupid  
He's a drag he's not like you

People say that it's insane we always go for pain

And it hurts  
Yes it hurts  
Let it hurt

This will never be over  
And you will always be mine  
You've gotta feed my hunger, baby  
I ain't ready to die

Ga ga, crazy, foolish for wanting you  
Stupid, cupid, he's a drag he's not like you

Ga ga, crazy, foolish for wanting you  
Stupid, cupid, he's a drag he's not like you

Ga ga, crazy, foolish for wanting you  
Ga ga, crazy, foolish for wanting you

And it hurts  
And it hurts  
Let it hurt

And it hurts  
And it hurts  
Let it hurt

And it hurts  
And it hurts  
Let it hurt

And it hurts  
And it hurts  
Let it hurt

And it hurts
