Hey, sugar hey you think I'd ever let you go
Get away!
Ain't gonna happen you know what I mean
Hard as it seems everybody's gotta dream a little
dream

Chill baby, chill. I wish I could but I can't stop until
Need a shot of you to the brain
Here we go again, keep on movin' baby
Like a runaway train

Like it's the last night on earth
Like it's the only chance we get to live
Let's give it all away, give it all we got
'cos my love won't wait for tomorrow
Like it's the last dance at the disco

Need a shot of you to the brain
Here we go again, keep on movin' baby
Like a runaway train

Like it's the last night on earth
Like it's the only chance we get to live
Let's give it all away, give it all we got
'cos my love won't wait for tomorrow
Like it's the last dance at the disco
Like it's the only song we get to sing
Let's give it all away, give it all we got
Till the sun comes up sugar, don't stop

Shake baby shake. The only habit I don't wanna break
You're sending a shiver down my spine
Playing with my mind
Accelerate 'cos we're running out of time
Feel baby feel. I want you from your head to your heels
Like I want you from your heart to your soul
Baby now you know, move a little closer and we're
gonna lose control

Like it's the last night on earth
Like it's the only chance we get to live
Let's give it all away, give it all we got

'cos my love won't wait for tomorrow
Like it's the last dance at the disco
Like it's the only song we get to sing
Let's give it all away, give it all we got
Till the sun comes up sugar, don't stop

Don't stop
Ooh ooh ooh don't stop
Ooh ooh ooh don't stop
Ooh ooh ooh don't stop

Shake baby shake
Shake baby shake
The only habit I don't wanna break
Shake baby shake

Like it's the last night on earth
Like it's the only chance we get to live
Let's give it all away, give it all we got
'cos my love won't wait for tomorrow
Like it's the last dance at the disco
Like it's the only song we get to sing
Let's give it all away, give it all we got
Till the sun comes up sugar, don't stop

Like it's the last night on earth
Like it's the only chance we get to live
Let's give it all away, give it all we got
Till the sun comes up sugar, don't stop
