Continuously question
Where this road is leading to
Disregard my intention
There's something I feel I need to do

Gotta run baby run baby run
Gotta run baby run baby run
Gotta run baby run baby run baby run

I wanna runaway
I wanna change my name oh
I wanna she'd this skin
A new life to begin

The world is spinnin' faster
Feel like im caught in a hurricane
Underrating this disaster
And there's only myself to blame
Gotta run baby run baby run
Gotta run baby run baby run
Gotta run baby run baby run baby runaway

I wanna runaway
I wanna change my name oh
I wanna she'd this skin
A new life to begin

I wanna runaway
I wanna change my name oh
I wanna she'd this skin
A new life to begin

Gotta run baby run baby run
Gotta run baby run baby run
Gotta run baby run baby run baby runaway

I wanna runaway
I wanna runaway
I wanna take a chance and never come back again
I wanna getaway
I wanna getaway
I wanna leave this mess behind I wanna start again

I wanna run I wanna run I wanna runaway
I wanna run I wanna run I wanna runaway
I wanna run I wanna run I gonna runaway
