Iâ'm looking at the floor
Iâ'm looking anywhere to try to put my head into
A different place
Iâ'm stopping it before
Before I think about the promise to myself that
Iâ'm about to break
Fall into daydreams inside these walls
I must be out of my mind

CHORUS

Cause I don't even know you
But all I do is think about your face
And I don't wanna call you
But I wish I had your number just in case
And I never thought someone could shake melike
You can
Some things weren't designed to understand
I hope you didn't see
I hope you didn't notice if you did I hope you
Looked away
I'll keep it all to me
I'll keep on running cause it's only when I'm
running that
I feel safe
As I fall I must be out of my mind

CHORUS

Cause I don't even know you
But all I do is think about your face
And I don't wanna call you
But I wish I had your number just in case
And I never thought someone could shake melike
You can
Some things weren't designed to understand

TV shows and cars that won't slow down
I should be looking for a chance but don't know how
Disillusion never let me down
Don't lose it now, don't lose it

I don't even know you
But all I do is think about your face
And I don't wanna call you
But I wish I had your number just in case
And I never thought someone could shake melike
You can
Some things weren't designed to understand
