I was washing the tub
And I didn't have no gloves thinking to myself
So many other thins that I could be doing
I was washing the floor someone was knockin at my
door say'n to myself
So many other things that I could be doing

Oh housework makes me sick I'm so sure of it
It's like I'm alrergic
You have to admit it's like a punishment
There's no end to it
Sha-la la la la la la
La la la la la
La la la laaa la la la

I was scrubbin a stain cursin out loud in vain say'n to
myself
So many other things that I could be doing
Vacume vacuuming
My black carpet again
Say'n to myself
So many other things that I could be doing

Oh housework makes me sick I'm so sure of it
It's like I'm alrergic
You have to admit it's like a punishment
There's no end to it
Sha-la la la la la la
La la la la la
La la la laaa la la la

Dishes are gathering quietly into the sink at night
It's a consperacy leaving me here on my own leaving
me here on my own
All alone and

Dishes are gathering quietly into the sink at night
It's a consperacy leaving me here on my own leaving
me here on my own all alone

Leaving me here
On my own on my own

Dishes are gathering quietly into the sink at night
It's a conspiracy leaving me here on my own leaving
me here on my own
All alone and
Dishes are gathering quietly into the sink at night
It's a conspiracy leaving me here on my own leaving
me here on my own
All alone and

And the wok don't stop and the work don't quit and the
work don't stop
No it don't stop
And the wok don't stop and the work don't quit and the
work don't stop
No it don't stop
And the wok don't stop and the work don't quit and the
work don't stop
No it don't stop
Oh no no
La la la la la la la la
It makse me say it makes me say it makes me say ohhh
(2x)

Oh housework makes me sick I'm so sure of it
It's like I'm alrergic
You have to admit it's like a punishment
There's no end to it
Sha-la la la la la la
La la la la la
La la la laa la la la
