Sittin' by the ocean
Watchin' the tide come in
Feelin' kinda sorry
Well look what I've put myself in
Yeah I'm tryin to strategize
Took some time to realize
Just what you were up to
Now what am I gon' do
(CHORUS)
It's just the same ol' thang
The same ol' game that you played me for
Don't wanna play no more
It's just the same ol' thang
(It's the same it's the same it's the same)
It's just the same ol' thang
The same ol' game that you played me for
Don't wanna hurt no more
It's just the same ol' thang
(It's the same it's the same it's the same)

Never had an ocean
Thought that you would come correct
Love is all I got to give
I could never be enough for you
And it's real, oh its so real
You can tell me how you feel
That's alright I know the deal
Play on player

(CHORUS)

And it's real, real so real
You can tell me how you feel
That's alright I know the deal
Play your player
And its real, real so real
You can tell me how you feel
That's alright I know the deal
Play on player

(CHORUS)

And its real,real so real
You can tell me how you feel
That's alright I know the deal
Play your player
And its real,real so real
You can tell me how you feel
I know the deal
Play on player

(CHORUS)

Oooooo ooo ooo ooo
Oooo ooo ooo
Oooo ooo ooo
Oooooo ooo ooo ooo
Oooo ooo ooo
Oooo ooo ooo
