Sittin by the ocean
Watchin the tide come in
Feelin kinda sorry
Hey look what I've got myself in
Yeah I'm tryin to stratagize
Took some time to realize
Just what you were up to
Now what am I gon' do

(CHORUS)

It's just the same ol' thang
The same ol' game that you played before
Don't wanna play no more
It's just the same ol' thang
(Its the same it's the same it's the same)
It's just the same ol' thang
The same ol' game that you played before
Don't wanna hurt no more
It's just the same ol' thang
(Its the same it's the same it's the same)

Never had a notion
Thought that you would come correct
Love is all I got to give
I could never be enough for you
And it's real, oh it's sooo real
You can tell me how you feel
That's alright I know the deal
Playon player

(CHORUS)

And it's real, oh it's sooo real
You can tell me how you feel
That's alright I know the deal
Play player
(I could never be enough for you)
And it's real, real sooo real
You can tell me how you feel
That's alright I know the deal
Play on player

(CHORUS)

And it's real, real sooo real
You can tell me how you feel
That's alright I know the deal
Play on player
And it's real, real it's sooo real
You can tell me how you feel
I know the deal
Play on player
Oooooo ooo ooo ooo
Oooo ooo ooo
Oooo ooo ooo
Oooooo ooo ooo ooo
Oooo ooo ooo
Oooo ooo ooo
