Alright let's just go for it  
C'mon baby  
(C'mon baby, freaky, freaky, freaky)  
One time  
(Can ya feel me?)

All pretty ladies around the world  
Got a beat here to show ya so tell all the boys and girls  
Tell your brother, ya sista, and your mama too  
'Cuz we're about to go down and you know just what to  
do

Wave your hands in the air like you don't care  
Right by the people as they stop to look and stare  
Do your dance, do your dance  
Do your dance, quick na

Now c'mon baby tell me what's the word  
Word up everybody sing  
When you hear that, ya gotta get it under way  
Word up it's the code word  
No matter where you say it, you know that you'll be  
heard  
(Word up)

Eh, hey, yeah  
(C'mon baby)  
Eh, hey, yeah  
Word up  
Eh, hey, yeah  
(Can ya feel me?)  
Eh, hey, yeah

Now all you sucka DJ's who think you're fly  
There's got to be a reason and you know the reason  
why  
You try to put on those airs and act real cool  
But you got to realize that you're actin' like fool

If that's music, we can use it, we're free to dance  
We don't have no time for a physiological romance  
No romance, no romance

A no romance for me, na

Now c'mon baby tell me what's the word  
Now word up everybody sing  
When you hear that call you gotta get it under way  
Word up it's the code word  
No matter where you say it, you know that you'll be  
heard  
(Word up)

Word up everybody sing  
When you hear that call you gotta get it under way  
Word up it's the code word  
No matter where you say it, you know that you'll be  
heard  
(Word up)

Eh, hey, yeah  
(C'mon baby)  
Eh, hey, yeah  
Word up

Can ya feel me?  
(Eh, hey, yeah)  
Word up  
Everybody sing

Word up  
It's the code word  
Word up

Do you like that?  
Do you like that?  
Do you like that?  
...
