I have held you girl but you ain't never made me feel so  
good before...mmm love you some more  
And I have kissed you girl but your lips ain't never  
tasted quite so sweet and warm...mmm sweet and  
warm  
And I have loved you girl but I ain't never really loved  
you from the heart but tonight I'm gonna start

Oh with every touch you're painting pretty pictures with  
your hands  
Creating precious feelings that my body understands  
I can almost hear the music playing somewhere soft  
and low  
I have loved you girl mmm but not like this before

Oh with every touch you're painting pretty pictures with  
your hands  
Creating precious feelings that my body understands  
I can almost hear the music playing somewhere soft  
and low  
I have loved you girl mmm but not like this before  
Yeah I have loved you girl mmm but not like this before
