What I'd Say
Earl Thomas Conley

Talkin to the mirror
whisperin your name
just like you were here, youd think i was insane
I hold these conversations in the silence of my room
rehearsing all the things id say should i run into you

hows it going might be what id say
you broke my heart you know
or it looks like rain today
or maybe god i missed you since you went away
your lookin well
or go to hell might be what id say

theres times i feel so angry id put my fist right through
the wall
then theres times ive come so close to giving you a call
i love you and i hate you all at the same time
i pray that you'll come back to me before i lose my
mind
hows it going might be what id say
you broke my heart you know
or it looks like rain today
or maybe god i missed you since you went away
your lookin well
or go to hell might be what id say

Guess you'll have to wait until that day
to find out what i'd say

God i missed you since you went away
your looking well
or go to hell
might be what id say
