One nite, I met you
As the rain glistened in the shine of your eyes
Dream with the stars
Dream of me
Dream of everything you wanna see

Whoa whoa whoaaaaa
Yea yea yeaaaaa

Francesca, Francesca
What a pretty name
For a pretty girl like you

Goodnight sweet dreams
As I lay here thinking of you
Where you are
Where you've been
Where you're going to

All the rivers cry out a song
As we all sing together
Tell me what you wanna be
Tell me what you wanna see
I'm bringing it back you
