Rune of the Lion's Eye  
bring the salt cyclone  
Lightning from the ground  
The Oasis of Molten Gold

Rune of the Lion's Beard  
Open up the stone  
Blasting thunder sound  
Reveals oasis of gold

Assyrian hordes the forces of darkness  
Marching on the twilight sand  
Conqueror Nebuchadnezzar  
Sworn to take all cosmic lands  
Travelling, back and forth in time  
Overwhelming all in their path  
On alabaster it has been written  
They arise from golden ash  
Tunnel of Time  
Come pilgrims of the beats  
Kinetic powers  
Bringers of the plague...BRINGERS OF THE PLAGUE!

Masses of Edimu...  
Stomping on the ground  
They are approaching with bloodshed on their minds  
Legions of Shedu...  
Marching on their side  
Unseen evil powers superior minds

Sigh ...Cry...  
I'm the Master Of Backward Time  
reverse! ...hgIS  
retsaM fO drawkcaB emiT

By Reverse Magic all will be concealed  
Pshych-alchemic mastery
