[Music: Ashmedi / Lyrics : Ashmedi]

Like a thread of spider silk  
Burst from the third eye  
Inverse energy released  
From the mind, pointing to  
The land of the delta prophets

Step in the bizarre bazaar  
Here stands the ziggurat  
Bursting plasma pointing to  
Mercury's dimension  
Micro-cosmic essence  
Of the hallucinating vision

A world of occult (and) sorcery  
Point the brass compass at you  
Profound cult of the erie  
Reveal the absolute truth

A world with occult (and) sorcery  
Profound cult of the eerie  
Point the compass at you

It's all in a circle  
It's all within the triangle  
Map the suspended earth  
A parallel world stands there

It's all in a circle  
It's all within the triangle  
Map the wretched earth  
A parallel world stands there

The Alpha point, points at the sky below  
What the land of Sumeria has foretold  
Is like the hypnotized snake's swallowed tail  
Infinity is complete; the spirit of the prophecy is here

The King of Fire shall seal this prophecy  
With a Mercury mail
