Music: Ashmedi & Moloch / Lyrics: Ashmedi

Spheres of Chaos, bring forth demise  
I see destruction through me eyes  
Behold the sphinx of Ashur rise  
He brings Akkad's demise

Assyrian war Demon  
Assyrian war Genii

A hail of demons attack from the sky  
Black form figures with red eyes  
Armed with scimitars forged in gold  
Hear their howling and their cries

Assyrian war Demon  
Assyrian war Genii  
Assyrian war Demon  
Assyrian battle skies

"I traveled all the worlds  
I see it before my eyes  
The land of all nine whores  
New Babylon in the sky  
This is the only way, to rule with fire  
Wardjinn leaves the stone"  
The creature is unleashed  
Blowing the hot xul sands  
Spreading his wings  
Fire lightning from his hands  
This mighty Djinn  
A beast made before man  
Macro-destruction released by his chants

His chants:  
"Xul alla xul"  
Shout  
"Zi dingir alla xul"  
His chants:  
"Xul alla xul"  
Infernal chants  
"Shamash maklu xul"

Whirling fire-winds sweep the battle fields  
Oh, the beauty of their cries  
Nineth Sphere of Chaos released from the mind  
Macro-destruction, the wardjinn smiles

Assyrian war Demon  
Assyrian war Genii  
Assyrian war Demon  
Assyrian battle skies
