Here we are in this big old empty room, staring each other down

You want me just as much as I want you, let's stop fooling around

Take me baby... kiss me all over... play with my love

Bring out what's been in me for far too long

Baby, you know that's all I've been dreaming of

Do Me Baby, like you never done before

Give it to me till I just can't take no more

Do Me Baby, like you never done before

I want you now, I just can't wait no more, can't wait...

Here we are looking for a reason for you to lay me down

For a love like ours is never out of season, so baby please stop teasing me

What ya do, I can never love no other, u're the best I ever had

Whenever we're not close to one another, I just want you so bad

So Do Me Baby, like you never done before

Give it to me till I just can't take no more

C'mon, Do Me Baby, like you never done before

I want you now, I just can't wait no more

I said ooo... ooo... oooo... oooooooo

Do Me Baby, Do Me Baby, give it to me

Do Me Baby, I want you now

Do Me Baby, give it to me

Do Me Baby, Do Me baby, don't wanna do it all alone

I want your love.

Do Me Baby, give it to me

Do Me Baby, This feeling is too strong, make me wait 2 long, I want you now

You're leaving me no choice

OK, what are you gonna do... u just gonna sit there and watch? alright...

Are you sure you don't wanna close your eyes?

... well, isn't it supposed to take a long time?

I'm not gonna stop till the war is over...

Help me! there... ok... ok
I'm so cold... just hold me
