Iâ€™m taking out this time
To give you a piece of my mind
Who do you think you are?
Maybe one day youâ€™ll be a star
But until then baby Iâ€™m the one whoâ€™s crazy
Cause thatâ€™s the way you make me feel
I donâ€™t want no romance
I just want the chance
To show you that Iâ€™m for real

I never said that I would be your everythang
But you know that I love you baby
And itâ€™s gonna be such a shame
When you can start living with it

Fools paradise you better think twice
Itâ€™s not very nice
X2

Bright lights and big cities
Donâ€™t go to my babyâ€™s head
You know I love you baby
But you choose this life instead

So just remember what cha mamma told you
Before she sent you on your way
She told never ever be to clever
To not see your own mistakes

Iâ€™ll be here waiting for you
When you come off your trip
And I guess I will always be the one
To bring you back from your busy, busyâ€¦ Baby

Fools paradise you better think twice
Itâ€™s not very nice
X2

Iâ€™ll be here waiting for you
When you come off your trip
And I guess I will always be the one
To bring you back from your busy , busyâ€¦ Baby
