Leather skin
With a broken heart
Good seamen
Turned to piracy

Turned to the sea
For opportunity
A good boy, men,
Please forgive him

His sins,
His sins,
Oh he knows not where he's been

Clear the decks, there's gonna be a shipwreck
Follow his heart back to the start
He's just a boy

Clear the decks, there's gonna be a shipwreck
Follow his heart back to the start
Tell the mistress
He's just a boy

Broken man
With a leather heart
He turned to the sea
For opportunity
A pirate's grin
Overcoming him

His grin,
His grin,
Oh she knows not where she's been

Clear the decks, there's gonna be a shipwreck
Follow his heart back to the start
He's just a boy

Clear the decks, there's gonna be a shipwreck
Follow his heart back to the start
Tell the mistress

He's just a boy

Follow the map
Of his broken heart
Back to the start
Of his broken heart

Follow the map
Back to the start
Of his broken heart

Bury him at sea,
He'll never return to me
Forgive him all his sins
He knows not where he's been

Bury him at sea,
He'll never return to me
Forgive him all his sins
The mistress of the sea deceived him

Bury him at sea,
He'll never return to me
Follow his heart
Back to the start
He's just a boy

Follow his heart
Back to the start
Clear the decks, there's gonna be a shipwreck
Lost at sea...

Follow her heart
Back to the start
Follow the start
Back to the heart
Lost at sea...

Clear the decks, there's gonna be a shipwreck
Bury him at sea,
He'll never return to me

The mistress of the sea deceived him
Mistress of the sea deceived him
Mistress of the sea deceived him
