Feel me sneaking around again
Am I hanging around again
Can't you see
That my heart lies
My heart lies to you

I followed the waves to you
I counted to see it through
But my heart lies to you
You'll never have me true

I lie, I lie

Please don't, please don't make amends (Please don't,
please don't make amends)
See me, see me slip again (See me, see me slip again)

Break my heart
The cards of fate
Seal the deal

My heart lies, my heart lies to you
My heart lies, my heart lies

I followed the waves to you
I counted to see it through
But my heart lies to you
You'll never have me true

I followed the waves to you
I counted to see it through
But my heart lies to you
I'll never stay with you

Between my fire sighs and my burning eyes
My heart burns wildly in his eyes
He's just a drunken, gambling man
Dealing with the hands of desire's thing

Between my fire sighs and my burning eyes
My heart burns wildly in his eyes
He's just a drunken, gambling man

Dealing with the hands of desire's thing
I'm gonna shuffle his deck clean
I'm gonna shuffle his deck clean

I followed the waves to you
I counted to see it through
But my heart lies to you
You'll never have me true

Between my fire sighs and my burning eyes
My heart burns wildly in his eyes
He's just a drunken, gambling man
Dealing with the hands of desire's thing
I'm gonna shuffle his deck clean
I'm gonna shuffle his deck clean
