Fall around the fire,  
And I, fall around the fire  
A higher me for you,  
Hire me for you

Fall around town, down  
For the rest of the world to drown  
For you'll come down  
To the rest of your falling down,  
On your head

Falling down  
With your head unbound  
IÂ'm falling down  
Down to your ground

Fall around town, down  
For the rest of the world to drown  
For you'll come down  
To the rest of your falling down,  
On your head

And I said you could hurt me  
No more,  
With your heart on the floor  
I said you could hurt me no more  
To the rest of the world it's sure  
That you will hurt me no more  
To the rest of the world,  
YouÂ're surely hurting, surely hurting more

Falling down  
IÂ'm falling down  
Downtown to your ground
