Ooo for love is fun
Care to dance?

You're a boy, I'm a girl
Are you ready? Please
Lots of fish in the sea
But is it her or me?
That's right
You'll see the light
All you need is me honey
Can't you see?

I'll be anything you want
You love me more than you love yourself
I'll be anything you want
You love me more than you love yourself
I'm on my knees, on my knees
Begging you darling please
Please, please
Pick me, pick me, pick me

Someday I have to say
I'll be with you
We'll share a dance (share a dance)
Romance (romance)
A little dinner for two
You'll be mine (you'll be mine)
I'm yours that's fine
Everything we ever dreamed of baby
Is ours tonight

I'll be anything you want
You love me more than you love yourself
I'll be anything you want
You love me more than you love yourself
I'm on my knees, on my knees
Begging you darling please
I'll be anything you want

You'll be anything I want
You love me more than you love yourself
You'll be anything I want

You love me more than you love yourself
Iâ€™m on my knees, on my knees
Begging you darling please, please

You're finished with your woman
'Cause she is not me
