Oh my love, oh my love  
I can't hear you my love  
Tell me where have you gone

Oh my love, oh my love  
I can't taste you my love  
Tell me what have I done

Plug it in, so I can digest you  
I will taste you

Far away, far away  
I can't feel you today  
I need healing my love

Appetite running fast  
Following my gut  
Turning up every rock

You're disappearing my love  
I need louder than this  
Please fill me up

Good tidings I bring  
To you and your sins  
I'll forgive

Come to me  
Plug it in, so I can digest you  
I will taste you (taste you)  
My appetite in that hole  
Tempt you with it now  
I will taste you (Ooh ooh)

Please shake me and tug,  
I need shaking my love  
Can't you be the one

I can't fake it my love  
I need filling come on  
I need it louder than bombs

Come to me  
Plug it in, so I can digest you  
I will taste you (taste you)  
My appetite in that hole  
Tempt you with it now  
I will taste you (taste you, taste you, taste you)

Feel that movement my love  
Pulling up from above  
Are you lis'ning love

My emptiness in a way  
Is tempting  
Guiding you from my gut

I will taste you  
I will taste you (IÂ've got a big mouth)  
IÂ've got a big mouth (I will taste you)  
I will taste you (IÂ've got a big mouth)  
IÂ've got a big mouth  
I will taste you  
I will taste you (IÂ've got a big mouth)  
I will taste you

Oh my love, oh my love  
I can't hear you my love  
Tell me where have you gone

Far away, far away  
I can't feel you today  
I need healing my love

Oh my love, oh my love, oh my love  
(Oh my love, oh my love)
