By the fire
Women from beyond
Travel through me
Oh
They visit these eyes
And they need me

Whispers and potions
On my waves
Drown me
To see if I will float
Whispers and potions
On my waves

These little women
They started a big war
Of magic and lust
They travel through me from beyond
I deliver their words

Whispers and potions
On my waves
Drown me
To see if I will float
Whispers and potions
On my waves

Follow me to the darkness
Cross the moat
Whispers and potions
On my waves

Whispers and potions
Whispers and potions
Whispers and potions
Whispers and potions
On my waves
Wooo!

Drown me
To see if I will float

Whispers and potions
On my waves

Follow me to the darkness
'Cross the moat
Whispers and potions
On my waves
