listen as your days unfolds
challenge what the future holds
try to keep your head up to the sky

lovers they may cause you tears
go ahead release your fears
stand up and be counted
don't be shamed to cry

you gotta be you gotta be bad
you gotta be bold
you gotta be wiser
you gotta be hard
you gotta be tough
you gotta be stronger
you gotta be cool
you gotta be calm
you gotta stay together
all I know all I know love will save the day

herald what you mother said
read the books your father read'
try to solve the puzzles in your own sweet time
some may have more cash then you
others take a different view
my oh my
hey hey hey

you gotta be bad
you gotta be bold
you gotta be wiser
you gotta be hard
you gotta be tough
you gotta be stronger
you gotta be cool
you gotta be calm
you gotta stay together
all I know all I know love will save the day

Time asks no questions, it goes on without you
Leaving you behind if you can't stand the pace
The world keeps on spinning, can't stop it if you tried to

The best part is danger staring you in the face

listen as your days unfolds
challenge what the future holds
try to keep your head up to the sky
lovers they may cause you tears
go ahead release your fears
my oh my
hey hey hey

you gotta be bad
you gotta be bold
you gotta be wiser
you gotta be hard
you gotta be tough
you gotta be stronger
you gotta be cool
you gotta be calm
you gotta stay together
all I know all I know love will save the day x 2

Got to be bold. Got to be bad.
Got to be wise. Don't ever sigh.
Got to be hard. Not too, too hard
All I know is, love will save the day
