The future  
The future  
The future

Well I've been looking, looking for an answer  
Somebody promised me one  
And I've been waiting, waiting for the chance  
Well somebody said it would come

Wake me up when we hit 2001

And I've been talking talking to the maker  
Of the compromise  
They said, "She's fine, call the undertaker"  
You shouldn't look surprised

Wake me up when we hit 2001  
Wake me up when we hit 2001

Oh it's barely alive with a story at five  
So turn your video on  
We live in these years, dark age of fear  
Meet me in 2001

I saw my sister  
Saw the ones who twist her, a social suicide  
If looks could kill each and every cheap thrill  
Could be a homicide

Wake me up when we hit 2001  
Wake me up when we hit 2001

Oh it's barely alive with a story at five  
So turn your video on  
We live in these years, dark age of fear  
Meet me in two, zero, zero, one

I've been searching, I've been searching searching for  
a reason  
To either fight or fly  
Either way patriot or treason  
It's gonna be one long hard ride

Wake me up when we hit 2001  
Wake me up when we hit 2001  
Wake me up when we hit 2001  
Wake me up when we hit 2001

The future  
The future  
The future  
...
