How could I stay?
How could I breathe?
There had to be more for me
Promises gone
Plastic and stone
I'm doin' fine all alone

So you're havin' a breakdown
So you're losin' the fight
So you're havin' a breakdown
And I'm drivin' and cryin'
Unraveled and flyin'
I'm comin' to your breakdown tonight

I cannot run
And I cannot hide
It came with me locked inside
The bough will break
Cradle will fall
It only takes one call

So you're havin' a breakdown

So you're losin' the fight
So you're havin' a breakdown
And I'm drivin' and cryin'
Unraveled and flyin'
I'm comin' to your breakdown tonight
Ooh aah
Ohh huh huh

So you're havin' a breakdown
So you're losin' the fight
Oh, so you're havin' a breakdown
And you need me tonight
Ohh oh, I found my place in this downtown
Salt air and yellow street lights
Aah yes

So you're havin' a breakdown
And I'm drivin' and cryin'
Unraveled and flyin'

I'm comin' to you're breakdown tonight

Hmm
