(Christmas)

The snow's coming down

(Christmas)

I'm watching it fall

(Christmas)

Lots of people around

(Christmas)

Baby please come home

The church bells in town

They're ringing a song

What a happy sound

Baby please come home

They're singing deck the halls

But it's not like Christmas at all

I remember when you were here

And all the fun we had last year

Pretty lights on a tree

I'm watching them shine

You should be here with me

Baby please come home

Baby please come home

Baby please come home

Please, please, please, please

They're singing deck the halls

But it's not like Christmas at all

I remember when you were here

And all the fun we had last year

(Christmas)

If there was a way

(Christmas)

I would hold back these tears

(Christmas)

But it's Christmas Day

Baby, baby please, please, please, please, please

Please, please, please, please, please, please

Baby please come home

Baby please come home

Baby, baby please come home

Come home, come home, come home baby

Baby please come home

Baby please come home

Baby please come home

Baby please come home, yeah
