I don't want to talk about it  
Done enough I think  
Don't want to spend more money  
I don't want another drink

I would scratch out all the images  
If I had the chance  
Don't ask me what I'm thinking  
Can't you see I only want to

Dance without sleeping  
I'll dance without fear  
Dance without senses no message I hear  
Dance without sleeping  
I'll dance till I'm numb  
Dance till I think I can overcome

Walking on the edge of rage and understanding  
Between the black and the white  
This child is so angry  
Alone here tonight

Alarming desperation  
Leads me to believe  
With all my shields and protection  
It's only me I deceive

Dance without sleeping  
I'll dance without fear  
Dance without senses no message I hear  
Dance without sleeping  
I'll dance till I'm numb  
Dance till I think I can overcome

The eyes on a magazine  
The voice on the radio  
The kiss on the movie screen  
This is the story I know

Fathers hold on and they never go  
Mothers hold on and they never go  
Lovers hold on and they never go

Lovers they come and they never go

Dance without sleeping  
I'll dance without fear  
Dance without senses no message I hear  
Dance without sleeping  
I'll dance till I'm numb  
Dance till I think I can overcome

Dance without sleeping  
I'll dance without fear  
Dance without senses no message I hear  
Dance without sleeping  
I'll dance till I'm numb  
Dance till I think I can overcome
