Ain't it crazy
For a moment there
This felt just like dying
But now I see that something inside
Is coming alive
Ain't it crazy

No use running from a revolution
I just surrender to this evolution

Heal me lift me
Take me to the other side
Amazing grace
Has touched my face
And the sweet sound doesn't lie

Ain't it crazy
For a moment there
I just gave up trying
But now I see
You can let the light in
You can begin again now
Ain't it crazy

I lay me down in this sweet perfection
I am a witness to my resurrection

Heal me lift me
Take me to the waterside
Drop me in let me swim
Let everyone know
I'll be coming home again

Make no mistake
I'm wide awake, yeah
Ain't it crazy

Heal me lift me
Take me to the other side
I'll take what I've earned
These lessons I've learned
I'm ready for the ride now

Heal me lift me
Take me and my soul will fly
My battered heart
Will make a new start
Let everyone know
I'll be coming home again

Heal me lift me
Take me, take me to the waterside
Drop me in
Come on and watch me swim
Let everyone know
I'll be coming home again

Let everyone know
I'm coming home again
