You say
You say you don't feel like yourself
Does that mean you're somebody else
How would I know

Oh, you say
You just don't feel quite right today
Does that mean that you're slippin' away
How would I know

You might believe
There's a paradise
In the next hello

How would I know
If you don't tell me so?
If you wanted to go
How would I know?

You say
You don't know what you're doing here
Does that mean you might disappear
How would I know

'Cause you might feel
That there's something real
In the next hello

How would I know
If you don't tell me so?
If you wanted to go
How would I know?

You might believe
There's a paradise
In the next hello

How would I know
If you don't tell me so?
If you wanted to go
How would I know?
If you don't tell me so

If you wanted to go
How would I know?

You say
Say you don't feel like yourself
Does that mean you're somebody else
