If you hear a voice
In the middle of the night
Saying it'll be alright
It will be me

If you feel a hand
Guiding you along
When the path seems wrong
It will be me

There is no mountain
That I can't climb
For you I'd swim thru
The rivers of time

As you go you're way
And I go mine
A light will shine
And it will be me

If there is a key
That goes to you're heart
A special part
It will be me

If you need a friend
Call out to the wind
To hold you again
It will be me

Oh, how the world
Seems so unfair

Creating a love
That cannot be shared

As you go you're way
And I go mine
A light will shine
And it will be me

I still have a laughter

There's a place for two
Here you're tears of laughter
I'll be there for you

In the sun and the moon
In the land and the sea
Will come around you
It will be me

There is no mountain
That I can't climb
For you I'd swim through
The rivers of time

As you go you're way
And I go mine
A light will shine
And it will be me

It will be me (x2)
