TRANSCRIBED BY: Chris Byrne

STATUS: finished

Outside the door, she is waiting
dressed in her jacket and jeans
smokey tired eyes, innocent air
all the young boys, stopping to stare
beleiving, they stand a chance
they caught a glance
Sunday at noon opening soon
All the young boys
All the young boys

Chorus:

they want to know
they want to know
Juliet, where's your romeo
where oh where is your romeo
tell me juliet where's your romeo
tell us tell us dear for we all want to know

Where do you come from dear lady
where are you going from here
could the street be your life
Are you somebody's wife
do you punch in the time
and are you hooked on the line
pretending you never lose
catching the cruise
Friday at one
the night's begun

oh mother and father

Chorus

All the young boys
all the young boys

Chorus
