Beyonce:

The heart is stronger than you think
It's like it can go through anything
And even when you think it can't, it finds a way
To still push on, though

Sometimes, you want to run away
Ain't got the patience for the pain
And if you don't believe
Look into your heart
The beat goes on

Who are we to be questioning
Wondering what is what
Don't give up, through it all
Just Stand Up
