Hello! Hello! This is Romeo
Calling from a jackpot telephone
Shame! Shame! But I love your name
And the way you make the buffalo roam

Oh fly, fly
I guess, this is goodbye
Oh, you packed up your heart
And you left no souvenirs

But if you want me, you can call me
In the night you know where I'll be
Broken lover, you can touch me

In the dark the innocent can't see
You lock it up now, hide the key
It would mean surrender to let me see

Oh brave, brave soldier, keep it undercover
You fell alone like no other lover
Burn the pictures, break the records

Run far away to a northern town
Sell your fear and leave me standing here
With no souvenirs

Once, twice, I thought it might be nice
To come into your kitchen and play
Cool, cool, just a crazy fool
I never saw it any other way

Oh wait, wait
I guess, I'm just too late
Oh, you made up your mind
Love shouldn't be so hard

But if you want me, you can call me
In the night you know where I'll be
Broken lover, you can touch me

In the dark, the innocent can't see
You lock it up now, hide the key

It would mean surrender to let me see

Oh brave, brave soldier, keep it undercover
You fell alone like no other lover
Burn the pictures, break the records

Run far away to a northern town
Sell your fear and leave me standing here
With no souvenirs

No shirts, no shoes
No jackets, no blues
Your car's for sale
You forward your mail

You're growing your hair
You don't want to know where
I'm calling you from
Or how come

But if you want me, you can call me
In the night you know where I'll be
Broken lover, you can touch me

In the dark, the innocent can't see
You lock it up now, hide the key
It would mean surrender to let me see

Oh, brave, brave soldier, keep it undercover
You fell alone like no other lover
Burn the pictures, break the records

Run far away to a northern town
Sell your fear and leave me standing here
With no souvenirs
