We got somethin', we both know it, we don't talk too  
much about it  
Ain't no real big secret, all the same, somehow we get  
around it  
Oh listen, it don't really matter to me, baby  
You believe what you wanna believe

You see, you don't have to live like a refugee, no

Somewhere, somehow, somebody must have kicked  
you around some  
Tell me why you want to lay there and revel in your  
abandon  
Honey, it don't make no difference to me, baby  
Everybody has to fight to be free

You see, you don't have to live like a refugee  
(Don't have to live like a refugee)  
Oh baby, you don't have to live like a refugee  
(Don't have to live like a refugee)

Oh baby, we ain't the first  
I'm sure a lot of other lovers been cursed  
Right now it seems real to you, but it's  
One of those things you gotta feel to be true

Somewhere, somehow, somebody must have kicked  
you around some  
Who knows maybe you were kidnapped  
Tied up taken away and held for ransom  
Honey, it don't really matter to me, baby  
Oh, everybody's had to fight to be free

You see, you don't have to live like a refugee  
(Don't have to live like a refugee)  
No baby, you don't have to live like a refugee  
(Don't have to live like a refugee)

No baby, you don't have to live like a refugee  
(Don't have to live like a refugee)  
Oh, oh, oh, oh, yeah  
(Don't have to live like a refugee)

Oh baby, you don't have to live like a refugee
