Take off my shield
Carry my sword
I won't need it anymore
Find me a sky
Give me my wings
Frozen and broken but free

Tell them I'm all right
I'm coming home
Tell them I'm all right
I am alone
This war is over
I'm coming home

Take off my shame
Bury it low
I won't need it anymore
Find me the sun
Give me it whole
Melt all the chains in my soul

Tell them I'm all right
I'm coming home
Tell them I'm all right
I am alone
This war is over
I'm coming home

Take off my pain
Carry me slow
I won't fight here anymore
Tell them I'm all right
I'm coming home
Tell them I'm all right
I am alone
This war is over
I'm coming home
