Some people try to keep something alive
After it's gone, After it dies
They try all kinds of things
Like taking off rings
Swapping up keys
Seeing who swings

I'm happy to say that you and I've got no problem
Baby, I just wanted you to know

[Chorus:]

I don't wanna have a threesome
I don't wanna sleep with nobody else
I don't wanna be a swinger
I'd rather keep you all to myself

Now, sometimes at night
after the kids are in bed
I'm changing the channels
And you're surfing the web
I stumble onto that show
With all of those ladies
You know with those things
Acting all crazy

I don't know how they manage

To do all that damage
We barely find enough time to kiss

[Chorus]

I've got enough spice
In this family life
I don't need an affair with a friend

I don't wanna have a threesome
Ever again

So I'll get away
If you can slip away too
I'll meet you at three

Alright, I'll meet you at two
We know just where to go
We know just what to do
It's perfect that way
Just me and you

[Chorus]

I've got enough spice
in this family life
I don't need an affair with a friend

I don't wanna have a threesome
I don't wanna have a threesome
I don't wanna have a threesome
Ever again
