I believe if I look hard enough  
I will see  
That there can be enough  
I believe I can think clear enough  
To conceive  
A place where there's enough

If not now, when  
If not today then  
What about tomorrow  
What happens tomorrow

I believe a woman can work hard and succeed  
And we could be content  
To believe that she could be in charge  
Of the free  
And be the president

If not now, when  
If not today then  
What happens tomorrow  
What happens tomorrow  
If you become the change  
You want to see you change  
What happens tomorrow  
What happens tomorrow  
I believe that we are waking up from the spell  
That those that profit from the fear  
Cast so well  
And good people of the earth now can tell  
There is no us and them

If not now, when  
If not today then  
What happens tomorrow  
What happens tomorrow

All is love  
All is choice  
Everyone and every voice  
All of life that you see  
All are possibilities

As above so below  
To wed the sense into the soul  
This is truth I believe  
I believe I believe

Truth is of the people  
By the people  
For the people
