Please baby, can't you see my mind's a burnin' hell
I go razor's a rippin' and tearin' and strippin'
My heart apart as well
Tonight you told me that you ache for something new
And some other woman is lookin' like something
That might be good for you

Go on and hold her till the screaming is gone
Go on believe her when she tells you nothing's wrong

But I'm the only one who'll walk across the fire for you
And I'm the only one who'll drown in my desire for you
It's only fear that makes you run, the demons that
you're hiding from
When all your promises are gone, I'm the only one

Please baby, can't you see I'm tryin' to explain
I've been here before and I'm locking the door a
And I'm not going back again
Her eyes and arms and skin won't make it go away
You'll wake up tomorrow and wrestle the sorrow
That holds you down today

Go on and hold her till the screaming is gone
Go on believe her when she tells you nothing's wrong

But I'm the only one who'll walk across the fire for you
And I'm the only one who'll drown in my desire for you
It's only fear that makes you run, the demons that
you're hiding from
When all your promises are gone, I'm the only one

Go on and hold her till the screaming is gone
Go on believe her when she tells you nothing's wrong

But I'm the only one who'll walk across the fire for you
And I'm the only one who'll drown in my desire for you
It's only fear that makes you run, the demons that
you're hiding from
When all your promises are gone, I'm the only one,
yeah yeah

And I'm the only one who'll drown in my desire for you
It's only fear that makes you run, the demons that
you're hiding from
When all your promises are gone, I'm the only one

I'm the only one, babe
I'm the only one
Ain't nobody else is gonna love you
Ain't nobody else is gonna love you
