[Matthew Sweet - Magnet and Steel]

Ooh ooh ah

Now I've told you so you ought to know (ooh)
Takes some time for our feelings to grow (ooh)
You're so close now I can't let you go (ooh)
And I can't let go

(With you I'm not shy) to show the way I feel
(With you I might try) my secrets to reveal
For you are a magnet and I am steel
For you are a magnet and I am steel

I can't hope that I'll hold you for long (ooh)
You're a woman who's lost in her song (ooh)
But the love that I feel is so strong (ooh)
It can't be wrong

(With you I'm not shy) to show the way I feel
(With you I might try) my secrets to reveal
For you are a magnet and I am steel

(With you I'm not shy) to show the way I feel
(With you I might try) my secrets to reveal
For you are a magnet and I am steel
For you are a magnet and I am steel
For you are a magnet and I am steel
For you are a magnet and I am steel

I am steel
I am steel

(Repeat)
